

PRODUCT DATA

Castrol Garden 2T

PRODUCT DESCRIPTION

Castrol Garden 2T is an advanced high quality 2-stroke engine oil specially designed to give good anti-wear and antiseizure properties for use in lawn mowers, chain saws and other garden machinery.

PRODUCT APPLICATION

Castrol Garden 2T is suitable for all 2T garden equipment and for use in pre-mix and oil injection systems with unleaded petrol. Depending on the engine manufacturers recommendation, **Castrol Garden 2T** can be used up to an oil/fuel ratio of 50:1.

Note: Some engine manufacturers recommend a different oil/fuel ratio when using a genuine two stroke oil.

Castrol Garden 2T is not recommended for water-cooled two-stroke marine outboards. For these applications, **Castrol Super Outboard Plus** is recommended.

PRODUCT FEATURES & BENEFITS

- Protection from build up of carbon deposits
- Fully miscible with all petrol fuel and dyed dark blue for ease of identification
- Good anti-wear and anti-seizure properties
- Prevention from spark plug fouling

TYPICAL CHARACTERISTICS

SAE Viscosity Grade	Density kg/ @ 15°C	Sulphated Ash %	Total Base Number (TBN) mg KOH/g	Colour
30	0.885	0.12	3.58	Dark Blue

STORAGE

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.

HEALTH, SAFETY & ENVIRONMENT

Castrol Garden 2T is considered non-hazardous in accordance with the HSNO Act. However, in line with safe handling practices, it is recommended that the handling instructions outlined in the Castrol Material Safety Data sheet be followed.

Spillage

- Small:** Soak up using an inert mineral adsorbent such as Castrol MOP S and dispose of in the appropriate manner.
- Large:** Corrective action usually dictated by individual company safety procedures. Immediate containment and subsequent removal is essential.
- Disposal:** Oily materials must not be allowed to enter groundwater, watercourses, sewerage or drainage systems. Refer to local Waste Disposal Authority for legal requirements.

Product Removal

- Bare Metal Surfaces:** Remove with Castrol solvent cleaners or water based degreasers.
- Hand Cleaning:** Use any of the Castrol range of hand cleaners, e.g. CareClean Plus.
- Other Surfaces:** Contact the Castrol Technical Advice Line on 0800 10 40 60.
