

Multipurpose Degreaser

Description

Castrol Multi Purpose Degreaser is a multipurpose solvent based degreaser containing biodegradable emulsifiers. **Castrol Multi Purpose Degreaser** is suitable for a wide variety of applications and can be applied by brush, spray or in an immersion tank.

Application

Castrol Multi Purpose Degreaser gives excellent results by dissolving grease and oil deposits before being flushed away with water as a water-oil emulsion.

Castrol Multi Purpose Degreaser is applicable for the degreasing of ferrous and non-ferrous metals, glass, wood, ceramics and concrete.

Castrol Multi Purpose Degreaser is ideal for cleaning engines, machines, workshop floors, and automotive components.

Advantages

Features:

Formulated with biodegradable emulsifiers.

Ease of use. No special equipment needed.

Emulsion separates on standing allowing the easy recovery of excess oil and dirt from suitable grease traps.

Benefits:

No oily residue remaining after use.

One product for most degreasing applications.

Removal

Bare Metal Surfaces: Remove with Castrol solvent cleaners or water based degreasers.

Hand Cleaning: Use any of the Castrol range of hand cleaners, e.g. CareClean Plus.

Other Surfaces: Contact the Castrol Technical Advice Line on 0800 10 40 60.
