Technical Data sheet

OILSAFE – Mini Spout Lid

The Mini Spout Lid has an outlet diameter of 1/4" (7mm), making it ideal for lubrication jobs where equipment fill holes are small such as constant level oilers and machine tools. Made with state-of-the-art materials, the Mini Spout Lid has an advanced sealing thread design that ensures a secure fit on all genuine OilSafe Drums.

Available in OilSafe's 10 standard colors.
