## Technical Data sheet

# OILSAFE – Stumpy Spout Lid

With a 1" spout opening, the OilSafe Stumpy Spout Lids design is ideal for applications where a higher lubricant flow is required. Made with state-of-the-art materials, the Stumpy Spout Lid has an advanced sealing thread design that ensures a secure fit on all OilSafe Drums. The Stumpy Spout Lid includes a large handle for ease of carrying and a auto-shut off breather valve to avoid accidental spillage or contamination. It's made with industrial grade, heat-resistant materials. The ultra durable construction will not warp, leak or break.

Match the Lid with an OilSafe color-coded label for easy, comprehensive fluid identification. 1" outlet spout opening for higher lubricant flow applications. Add a Stumpy Spout Hose Extension to help with awkward or hard to reach fill points.

- Fits onto any 1.5, 2, 3, 5, or 10 liter/US quart OilSafe Drum.
- Available in OilSafe's 10 standard colors.

Weight: 1.04 lbs
