Technical Data sheet

OILSAFE – Standard Pump

The Standard Pump is a general purpose pump that will handle up to ISO 460 fluids. This high quality down-stroke discharge pump is perfect for quickly and easily accessing hard to reach and time consuming top up points such as gearbox and transmission applications.

- Supplied with a removable discharge hose for easy cleaning and drainage, the pump delivers 1 liter for approximately 12 strokes
- Match with a OilSafe Utility Lid and a 3, 5 or 10 liter/US quart Drum
- Supplied with 5 foot Removable Discharge Hose with a hook outlet nozzle. The anti-drip nozzle is made of aluminum and fits 1/2" and larger fill holes. For smaller fill hole applications add a Pump Reducer Nozzle accessory to the outlet nozzle.

Weight: 2.2 lbs
