Technical Data sheet

OILSAFE – Pistol Grease Gun

Pistol Grip Grease Guns are ideal for one handed operation. Designed to prevent fingers from pinching and to use in confined spaces where access to grease fittings is restricted. Match the color-coded grease gun to a OilSafe color-coded Grease Fitting Protector and ensure the right grease is applied to the right equipment.

- 3 way packable - cartridge, suction fill or by filler pump
- Super strong pistol grip handle with soft rubber grip
- Operate to 5,000 PSI (345 Bar)
- Capacity for 14oz (400gm) cartridges or will fit 500cc bulk filled
- 1/8" NPT threads
- Comes with both a 4" steel and 12" flexible extension

Color-coded grease guns are available in 10 colors.

Weight: 3.3 lbs
